Certificate No. 1012)

Case No. MP-2006-037

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 1012 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

The \$1.5 million primary WMATC Insurance Endorsement on file for respondent terminated on March 15, 2006, without replacement. As a result, Certificate No. 1012 was automatically suspended under Regulation No. 58-02, and a \$50 late filing fee became due and payable under Regulation No. 67-03(c), as noted in Order No. 9388, served March 15, 2006.

Respondent tendered a \$50 money order on March 22, 2006, and Certificate No. 1012 has been transferred to Clark Transportation, LLC, pursuant to Order No. 9166, served December 7, 2005, based in substantial part on the LLC having filed proof of \$1.5 million in combined-single-limit, motor vehicle liability insurance as required by Commission Regulation No. 58.

Accordingly, the suspension is lifted, and this investigation is terminated.

IT IS SO ORDERED.

FOR THE COMMISSION:
